Ambient world fusion and new age mix 10 MP3 Songs WORLD: World Fusion, NEW AGE: Ambient Details: "Earth Vision" is an enticing, progressive and innovative production which brings forth visions from an ancient past but celebrate more modern musical ideas. Brought to you from this unique band from Germany this is a hypnotic collaboration of exceptional soundscapes. Framed between keyboard layers by Dr. JOS, groovy bass, drums and saxophone wooden sax by SANDRINO SANDINISTA SANDER (ex-DISSIDENTEN) create an ambient environment with jazzy grooves and world music vibes that not only bring forth haunted visions of ancient past, but also celebrate the future. Offering visionary music directions and moods, "Earth Vision" is an original, breathtaking journey with some very particular sound moods and arrangements that differ from standard smooth jazz so prevalent in current contemporary music. A "must have" for anybody who enjoys avant garde, innovative, futuristic and melodic soundscapes. The CD is the first of the three progressive recordings. Check out also stunning productions "SEVEN WISHES" and "ORPHEUS" by Vision Earth.
