

Mp3 Wind - Blowing Home

[DOWNLOAD HERE](#)

Blowing Home is a CD about love. The love of my friends and family. The love that I have for the bamboo flute and the music that is created with these wonderful instruments. 10 MP3 Songs NEW AGE: New Age, NEW AGE: Meditation Details: Wind is a bamboo flute player and singer. He has been playing and crafting bamboo flutes for over a decade. He is currently in the process of creating a multi media show promoting his flute playing and singing talents. His greatest achievements have been playing music with Bonobo apes and Peter Gabriel. He is a well loved street performer in the Asheville NC area and has been involved with many local bands in that area as well as in Cleveland Ohio where he grew up.
