Natalie is a 6 year old girl who is inquisitive about all the various life situations and experiences. In her determined mind, things have to make sense and she asks all the different family members to provide her with answers to her questions. She wants to know, for example, why people get married, where she was before she was born, why she should choose to do the right thing, why a lie has short legs, why we should respect each others personal space or why it's good to embrace a change. Whether she is having a fun time with her friends or learns about life, this child loves to explore, learn and has passion for life all around her. Natalie comes from a deeply rooted family where love, closeness, support, commitment, integrity and positivity are the foundation of their lives together.
