

The Moon And Sixpence - W. Somerset Maugham

[DOWNLOAD HERE](#)

I confess that when first I made acquaintance with Charles Strickland I never for a moment discerned that there was in him anything out of the ordinary. Yet now few will be found to deny his greatness. I do not speak of that greatness which is achieved by the fortunate politician or the successful soldier; that is a quality which belongs to the place he occupies rather than to the man; and a change of circum-stances reduces it to very discreet proportions. The Prime Minister out of office is seen, too often, to have been but a pompous rhetorician, and the General without an army is but the tame hero of a market town. The greatness of Charles Strickland was authentic. It may be that you do not like his art, but at all events you can hardly refuse it the tribute of your interest. He disturbs and arrests. The time has passed when he was an object of ridicule, and it is no longer a mark of eccentricity to defend or of perversity to extol him. His faults are accepted as the necessary complement to his merits. It is still possible to discuss his place in art, and the adulation of his admirers is perhaps no less capricious than the disparagement of his detractors; but one thing can never be doubtful, and that is that he had genius. To my mind the most interesting thing in art is the personality of the artist; and if that is singular, I am willing to excuse a

thousand faults. I suppose Velasquez was a better painter than El Greco, but custom states one's admiration for him: Author: Maugham, W. Somerset Publisher: 1st World Library - Literary Society Illustration: N Language: ENG Title: The Moon and Sixpence Pages: 00276 (Encrypted PDF) On Sale: 2007-08-01 SKU-13/ISBN: 9781421847764 Category: Literary Collections : General
