

# Why The Allies Won - Richard Overy

[DOWNLOAD HERE](#)

The Allied victory in 1945 - though comprehensive - was far from inevitable. By 1942 almost the entire resources of continental Europe were in German hands and Japan had wiped out the western colonial presence in Asia. Democracy appeared to have had its day. In this remarkable study, Richard Overy provides a reinterpretation of the war through an account of the decisive military campaigns that created the astonishing revival in Allied fortunes. He also explores the deeper factors that determined success and failure: industrial strength, fighting ability, the skills of leaders and the moral contrasts between the two sides. Today the modern world is once more in the throes of painful transformation. It is essential to establish why and how the last great war was won. Richard Overy casts a brilliant light on the most important turning-point of the modern age. Author: Overy, Richard Publisher: Vintage Digital Illustration: N Language: ENG Title: Why The Allies Won Pages: 00512 (Encrypted EPUB) On Sale: 2012-02-29 SKU-13/ISBN: 9781845950651 Category: History : Europe - General Category: Technology & Engineering : Military Science Category: History : Military - World War II
