MP3 Songs JAZZ: Smooth Jazz, JAZZ: Free Jazz A J A Songs Details: AJA BASIC INFORMATION To
face the struggle within is the first step towards liberation...our music is difficult to understand, it is not
meant for all...but it is our way of stating that an artist is a Revolutionary and that music is a weapon to
attack our enemies and to defend ourselves from them...music is part of the artist's arsenal in the battle
for truth...our wish is that mankind can become enlightened and better capable to live in peace...We were
soldiers...we were danseurs...We are poets...We are fathers of beautiful children....We are warriors...We
live close to the Atlantic Ocean...AJA's music arises from within... AJA is our debut album...it came about
through inspiration, spontaneity, improvisation and desire to create powerful music...all songs are
arranged for piano and electric bass...we play ballads, nonobjective bebop, at times moody, but in the
end, always cheerful...most find it extremely relaxing...listening to AJA is a pleasurable experience...
Stuart Schultz, (Stoo), is a magnificent and gifted pianist that has created tremendous melodies...BODO,
is a talented bassist with a flair for the nonobjective, and a fascination with the mysterious, his bass
sounds deep and otherworldly... The Abstract Jazz Arrangement, (AJA), can be found at bodoart.com
