Solo Piano. The simplicity of the harmonies and the openness of the flow take the listener into that higher place where divine thoughts and emotions are evoked. 9 MP3 Songs NEW AGE: New Age, CLASSICAL: Contemporary Show all album songs: Cathedral Songs Details: one door, a narrow way, shimmers of light the cathedral, the place of worship up, the place of perception where love talks warfare...inevitable reflections into a greater image fusion divine and human celebration consumado es Given that I am a classical pianist, I've been playing music composed by other people all my life. That music as marvelous as it is, can't describe what I am, what I feel and what I think. In 2003 I felt the urge to write music that would portray my own style and that would transmit an atmosphere of peace, calmness, goodness, gladness and hope. We live in a stressful world that puts innumerable pressures and challenges. What I intend with my music is to provide an antidote to those negative feelings and to be able to create a total different climate when the music is heard.
