This band is the boss for heavy guitars, powerful vocals, strong and offensive lyrics, lots of drug content. Imagine Staind meets Black Sabbath and has a three way with Poly Styrene. 14 MP3 Songs ROCK: Hard Rock, METAL: Power Metal Details: Boss Universal was born in the summer of 1999. This cd was the result of result of singer, Superdiva's attempt to keep her previous band together. Upon meeting drummer Swagger, Superdiva suggested the two play with guitar player Brett. Originally the band played punk songs. Over the course of the two plus years this group has been together, the sound has evolved into a formula of music that cannot be left unheard. Boss Universal takes on a style all their own, with Superdiva's wailing vocals to Brett's shredding guitar tone to Swagger pounding drum beats. This band will smack you on the A** and you'll turn around and thank them. Music Connection magazine says " the songs were interesting and often funny" YOU MUST BUY THIS ALBUM NOW! Based out of Los Angeles, California, this group expresses best the anger and frustration of city life, youth, talent. This album truly must be heard and played. Boss Universal stands alone with a style they have created, you owe it to yourself to listen to this band for the message behind the music.
