

Mp3 Brian Keys - Languajazz

[DOWNLOAD HERE](#)

An hour of hip beat-box, dance-off, jazz-ed up crazy fun. 14 MP3 Songs JAZZ: World Fusion, ELECTRONIC: Drum 'n Bass/Jungle Details: Brian Keys began playing his own original piano music at the age of 6. He studied piano music at the U of U and continued creating his own brand of music under various names as well as writing lyrics that have seen radio airplay. Brian's 1st CD, "Original Keys", showcased his talents and versatility. This new CD lets it all out (except for vocals which will be next). Brian has also written some fantastic stories books such as the famous "An Alliterate ABC's" located at 1abcs he continues to create diverse fantastically brilliant masterpieces. Languajazz incorporates live performances into every world beat! Enjoy:om
