

# Mp3 Doogz.net - The Underground Projects Vol. 1

[DOWNLOAD HERE](#)

Doogzis a collection of the greatest underground artists ranging from heavy hitting rock to groove oriented punk 9 MP3 Songs METAL: Heavy Metal, ROCK: Hard Rock Details: The Underground Projects Vol. 1 is a collection of the best in underground artists. The CD offers the hard rock sounds of Mushcup and Downstate to the groove oriented and infectious sounds of Better Ending and CBJ and many more. Fans of bands such as Metallica, Pantera, Incubus, Linkin Park, Blink 182 and similar artists will definitely appreciate the sounds of The Underground Projects Volume 1. Get your hands on these great songs NOW because these are the big names of the future!! WHILE SUPPLIES LAST...GET A FREE 5 TRACK MUSHCUP CD SAMPLER WITH ANY PURCHASE. SAMPLER WILL BE SHIPPED SEPERATELY. Since the release of this CD there have been a couple of changes concerning the artists. Unfortunately Hard Rock Tim has taken a break from the music industry for undisclosed reasons. On a better note CBJ is now known as The Deviant Minds and can be found tearing up the scene in their new home of Orange County, CA. For these reasons, this CD has become a rarity already.
