Details: Her beautiful vocals on Lay Me Down reminds me a little bit of Alison Krauss and Gillian Welch - but her sound is more indie than country. --Rollo Grady, Los Angeles Music Blog Rose's songs are well-written, well-crafted affairs. She uses country/American roots musical traditions effectively as a vehicle for delivering her message. That message is conveyed through lovely, introspective vocals that breathe life into highly personal lyrics. --Peter Kearns, Snobs Music A voice somewhere between an early 70s songstress and a modern indie folk singer --Nichole Wagner, Uncommon Music Someday fuses delicate vocals, a beautiful piano and a gentle guitar echoing in the background. Its about dreaming of a time when things will be perfect - this moment you might in the wrong place in your life, but someday, somewhere else, everything will be wonderful and you will be with that someone you belong with. Haroula, who has recently moved back to LA from Spain, sings a lot like Nora Jones. Her music is relaxing and dream like.
