Rock with a funk edge 5 MP3 Songs ROCK: Hard Rock, ROCK: Funk Rock Details: in.spite.of is a band with a familiar yet uniquely identifiable sound, which separates them from the sea of young new talent. Fronted by two singers, in.spite.of is a vocally driven central New Jersey band that breathes new life into, what is considered by most, a stifled period in alternative rock, a true diamond in the rough. Having put together a strong diverse musical style and a strong fan base, the band has caught the ears of some national touring acts. They have shared the stage with the likes of Incubus, System of a Down, Godsmack, Something Corporate, Injected, and 2 Skinnee J's, to name a few. In.spite.of has also been able to draw the attention of producer Sal Villanueva whose credits include: Thursday's "War All The Time, "Full Collapse", "Waiting" and Taking Back Sunday's "Tell All Your Friends", to collaborate on some forthcoming recordings. in.spite.of is managed by Nick John of Sanctuary Artist Management - Los Angeles Division (Janes Addiction, Alien Ant Farm, Slayer, Something Corporate, Destiny's Child, DMX, etc). sanctuarygroup in.spite.of is represented by lawyer Ralph De Palma of Pryor Cashman Sherman Flynn LLP - New York Division (Aerosmith, Justin Timberlake, Staind, etc). pryorcashman For music, press reviews, and general info, go to inspiteofmusic.com.
