New age urban with focus on multi-genres 6 MP3 Songs NEW AGE: Ambient, WORLD: African Details: Jolinko Tsongo Like The Mist That Lingers Sketches 1 African Mist New Age Urban's Sketches 1 begins the three CDs journey with traditional African Drumming slowly setting the welcome entrance. Winbo Kwa Usuhabas rhythm patterns elevates into an up-tempo groove, while recalling historical distance and space. Jolinko continues to find contemporary elements in creating this CD with past and current musical language that brings forth sustainable subtle emotional waves, while tightly merging. Ngurmo easily becomes relative to film scoring with inner visions slowly building in time. Now, the urban elements seem to unravel in August Moon's soft, moody, and romantic flights into expressions of joy. The New Age Urban genre starts to focus and build as the song-flow enter Malaika while combining ethnic and urban elements as it evolves from one movement to the next. Next, Xhangilio filled with artfulness from the New Age Urban sources finds its roots in it chorus, demonstrating a solid connection. Concludes with Warm Nights, the urban voicing operates in its strongest jazz transmission that delivers some progressive movements. * A Special Thank You To All and Especially To: Usen Udoh (Music Advisory/riddhipartners.com)
