

Mp3 Lorraine Bowen - Bossy Nova

[DOWNLOAD HERE](#)

British eccentric songwriter/performer sings suburban exotica, Casio bossa beats in chirpy domestic uplifting songs about Crumbles, mothballs and fish fingers. 20 MP3 Songs POP: British Pop, EASY LISTENING: Vocal Pop Show all album songs: Bossy Nova Songs Details: Lorraine Bowens third album of hit tunes is a fan favourite! It includes the Burger Song (available on video on VITAL ORGANS CD), The Crumble Song in Indian! Yes Indian! The classic party song, Would You Like to Be Buried or Cremated and the great train tune, Swindon. This is suburban exotica at its greatest a glossy treat of bossy beats and a great change from this world of loud dance music and zero intolerance! Lorraine has made four albums to date each taking ages to write, record and produce from her London home.
