Electro Funk Pop 10 MP3 Songs URBAN/R&B: Funk Details: The self-titled debut album from LUCIUS CLAY. This self-produced smattering of funk rock instrumentals and electro pop dance songs captures the energy and versatility of the band's infamous live shows. From infectious grooves that work their way under your skin and echo in your head to electrified dance tracks, LUCIUS CLAY covers it all. You'll find yourself double dipping into flavors of old school funk that reminisce the lies of AWB or Sly Stone topped with smooth vocal harmonies that pour over the groove like syrup. The addition of percussion and sax pulsating throughout will pull you onto any dance floor and have you mesmerized. No matter where you are, this disc will go great with a pale ale, an evening BBQ or a slammin' house party. Enjoy!
