

Mp3 Manon - Easy Listening: Mood Music

[DOWNLOAD HERE](#)

soothing, sophisticated and relaxing... 11 MP3 Songs EASY LISTENING: Mood Music, EASY LISTENING: Mature Details: French Canadian, originally from Montral, Manon has performed through out Canada for many years. She started music lessons at the age 4 and began piano lessons at 7. After a degree in psychology, music took over and she decided to concentrate her time on music essentially. She began accompanying singers after her studies in Music at Mc Gill University in Montral. After 2 years as an accompanist she decided to sing the songs she enjoyed listening to. She started touring with her own bands changing style through out the years: folk, pop rock, disco, soft jazz. By the late eighties she decided to up grade her style with modern technology using computers and right after, she started performing as a single pianist entertainer. She also appeared in several TV talk shows back in Montral. She performed through out East Canada, for politicians, international companies private functions....etc. She also did various outside mega shows for the national holiday in Qubec on June 24th. She was invited to perform for the first anniversary of the foundation of Radisson City, city base of the huge project of James Bay Power Electrical Plant in Canada. She performed for important events and for simple occasions as well and she enjoyed herself every time and made people happy everywhere. She has been performing around the world for the last 5 years, for major cruise lines such as Holland America, Costa Crociere, Norwegian(NCL), Celebrity, Princess and the legendary Cunard Line on its latest and famous Queen Mary 2. She has completed this CD, requests she has been asked from those lovely evenings at sea. This CD reflects a soft ambiance from the romantic and unforgettable nights spent on a cruise, emphasizing more on the original tone of her voice. She is currently working on a second CD, up tempo style, with more rock roll piano solos that will reflect the incessant demand from younger audiences.
