Soulful pop music done in true Minneapolis fashion. 5 MP3 Songs POP: Power Pop, URBAN/R&B: R&B Pop Crossover Details: This is the first release, and first artist signed to former Prince drummer, Michael Bland's Sonic Matrimony collective. Mayda is a true talent, and we welcome her to carry the torch as a highly accomplished songwriter, and a hidden gem of the Minneapolis music scene. A full bio on Mayda can be found at myspace.com/maydamiller Anyone looking to book Mayda live can do so by contacting James Rhines at falon1@hotmail.com We, as a collective, are still split on whether or not to release a full length CD. Mayda is very prolific, and we don't want to limit her to a 10 or 12 song format. Plus, we think we could sustain your interest for a longer period of time, if we gave you new music, more often. we're considering, as an alternative, releasing 3 or 4 EPs a year, instead. We're just starting to have serious discussions about it. So, YOUR feedback, to us, is VERY important!!! Tell us what you think, good or bad.. Please send all your comments to James Rhines at falon1@hotmail.com We are glad there is a fair and constructive avenue that allows us the freedom to "do as we please", and we look forward to not only presenting more of Mayda's music, but other artists who are willing to put in the work needed to shine!
