

# Mp3 Natty Redbeard - Isaac The Crumbcake

[DOWNLOAD HERE](#)

Packed full of crazy, character-driven story-songs from the formerly reclusive twenty-nine year old singer/songwriter. 11 MP3 Songs FOLK: Power-folk, FOLK: Modern Folk Details: Featuring only Natty's acoustic guitar -- which he plays flat on his lap in an original, warped bluegrass technique -- and his passionate, borderline reckless vocals (stacked up as many as four at a time) -- the eleven tracks plumb the depths of the male psyche, resulting in a unique, fun, and provocative listening experience. Though fast and frenzied, this is NOT background music. Like the best intimate songwriter records, "Isaac" reveals more of its lyrical intent with each new listen. Referencing "Star Wars," cooking shows, iconic sports announcers, even obscure children's literature, Redbeard will go to hysterical lengths to get his point across, often losing his breath in the process.
