Electronic Production Avante garde style Music that sounds like Bill Nelson,Wire,Joy division,peter murphy,Cocteau Twins 12 MP3 Songs ELECTRONIC: Soundscapes, ELECTRONIC: Experimental Details: Original!Exciting! Debut cd from Peter Rodgers.(Previously Navao Lounge) Lush psychedelic tones and mixtures Of a deep Poetic sonic soundry.A taste of Creative Words and music designed to become a Mood altering Experience.Peters Diss-taste for commercially Written Music(And The record Industry)is well documented.A pioneer From The early Joy Division days . Peter has always continued to advance his musical talents full circle.The overpowering Influence of Bill Nelson And the mysterious Meloncholic Ghost of Ian Curtis(Joy Division)is a stronghold in Peters Music.This cd contains many songs written in 1 to 2 hours total time.There are some hooks and smooth overtones but the music remains to be The avante garde artsie type.Combination of guitar,E-Bow,Effectuated poetic vocals and keyboards, leads the listener To Experience Music Beyond the Daily commercial pop Tunes We hear On the Radio.Peters Influnce includes the following,Bill Nelson,(permanentflame.com)Joy Division,Wire,Cocteau Twins,Peter Murphy,Robert Fripp,Roxy music,Be Bop Deluxe,Cabaret Voltaire,Skinny Puppy,Joy Division,Ultravox,Gang Of Four,Johnny Lydon,Peter Gabriel,Colin Newman,And Ghram Lewis.for me".I would much rather create a Riot then Applause! Thank God For CD Baby for allowing Artists to put their music out there without us having to be minipulated by A&R record company greed.!
