The New ISMA Nominated Release by Native American Diva, Qua' Ti' Si' is now available exclusively from Oyate Music. Native American Pop/Folk/Rock at its Best. Check This Out. 7 MP3 Songs POP: Delicate, WORLD: Native American Details: Qua' Ti' Si' once again delivers an outstanding recording which has been nominated for BEST POP RECORDING in the 2004 Indian Summer Music Awards, with her second release, BURY ME! Following the release of "People of the Red Man" in 2002, Qua'Ti' Si' has quickly gained fame as one of the most talked about Female Native American artists on the scene today and continues to bring her unique blend of pop/folk and Native American influenced melodies and songs to a anxious public with this fantastic recording! "Bury Me" continues the trend started in 2002 by this incredibly multi-talented artist as she brings together her poetic, hard-edged and melodic songwriting into the fray with a mixture of "Nashville twang" and Native American instrumentation. Featuring a who's-who list of top rated Nashville musicians, this is a "must-have" for listeners interested in beautiful melodies interwoven with heartfelt lyrical magic! The themes on "BURY ME" once again represent the very personal and introspective qualities of Qua's Native heritage and values. A member of the Cree Nation, she shares experiences with the listener which are close to her heart in regards to the injustices faced by Native people and the strength of the culture to overcome difficulties and challenges associated with being Indian in a "non-NDN" world. Available exclusively from Oyate Music RavenHeart Entertainment Corporation. Visit our website at oyatemusic to find out about Qua' Ti' Si's upcoming tour information!
