Warm Pop tunes that move with modern mediterranean world rhythms. Rich vocals combined with passionate acoustic electric guitar, colorful synths and upbeat percussion. 10 MP3 Songs POP: Folky Pop, ELECTRONIC: Pop Crossover Details: Rich Neel has captured a genuine feeling in his songs. His warm voice reaches out to embrace the listener. The melodies evoke feelings ranging from simple happiness to quiet introspection. One thing is obvious, each of these songs meant something to him whether they are personal expressions or story songs. Rich has spent time in the far corners of the world and lists amongst his friends a diverse mix of nationalities, religious backgrounds, races, ages, etc. One of those friends is Manuel Iman who hails from Spain. Manuel is an exceptionally talented and innovative musician, composer, arranger and producer. Influences from around the world come together in a cohesive, flowing experience. Together they have produced a CD worthy of a good listen. If you like music that dances in your ears, honors human sensibility, brings a smile to your face, and touches that sweet spot inside then this CD could be a treat for you. It is nice to find someone who has something refreshingly simple and yet moving to write about.
