

## Mp3 Rodney Louis Baker - Dyrty Gyrlyz

[DOWNLOAD HERE](#)

HIP/SOUL A NEW SOUND WITH A WHOLE LOTTA ATTITUDE. Filled with all original r&b, funk even a riff of rock here and there. 12 MP3 Songs POP: Today's Top 40, URBAN/R&B: Rhythm Blues Details: Take no prisoners. RLB is doing it all by himself and to be honest it is very Hot! Don't complain about nothing new from the industry without checkin' out this dynamic c.d. RLB is a polished veteran performer that has traveled the U.S and abroad with multiple top 40 acts. RLB has had limited radio success back in 1992 with the release i'll make it rain. RLB since has been scouted by several labels including Jamm records in Hollywood, CA. After taking time to learn the business aspect of the industry RLB is currently emerging as one of the best stories of the year. The current dyrty gyrlyz release boast what may very well be the most popular ringtone in the u.s. by this years end. RLB is determined to carve his own career just the way he wants. The brand new label "RODFATHA" records is only an extension of the larger owned company ABOVE THE WORLD ENTERTAINMENT" with the immediate future in control RLB is in a more comfortable position to negotiate a better contract for himself as the majors begin to approach. If the industry searches for hit songs then RLB is well on his way! RLB posses something the music industry has craved for years and that is something new and never seen! Being called the father of "mic-Slinging" RLB has created an intense stage show that is guaranteed to have people talking! If it is true that Jamie Foxx has Ressurrected Soul Music than RLB is one of the first to rise! While the c.d gives a party feel the slow jamz were designed to make a woman beg.
