The newest generation of gangsta rap with a hip hop/r&b twist 18 MP3 Songs HIP HOP/RAP: Hardcore Rap Details: After a two year absence since Spotlight Entertainment's debut release CD A-1, the spotlight cast lead by C-Ris Beatz returns with the long awaited follow-up CD B-12. Taking 1st place in Wamo's "Battle of the beats," with their new single "On crackin," the club banger. This alcohol-fueled track took 1st place at Wamo's 8th Annual African American Awards Show and 3rd place at Wamo's talent showcase. Numerous visits on Pittsburgh's famous Underground Hip Hop Video Magazine (a weekly show that airs on Pittsburgh's Public Access Channel 21) and a stronger marketing campaign created a larger street buzz to allow Spotlight Entertainment to shine once again. With plans for solo debut releases set for summer and fall 2003, Team Spotlight is committed to make each CD better than the last.
