Original folk and Acoustic Blues music. This is the new wave of folk and blues artists who are musicians and songwriters. 12 MP3 Songs BLUES: Acoustic Blues, FOLK: Political Details: Shmazi is an online community of artists from many different countries all united with one common goal: peace through arts. Shmazi (shma' zhee) is a modern day philosophy of tolerance and understanding. The purpose of Shmazi is to perform original music that is roots-based and culturally significant in the hopes that this may inspire the younger generation to enjoy their musical heritage and their educational promise. The Education Song was written for this very purpose, and is being performed regularly at Shmazi Performances.
