Power Pop 10 MP3 Songs POP: 60's Pop, POP: Power Pop Details: Formed in Vancouver in 1997, the Salteens are Scott, Rob, Kevin, Erin and Brent. Short-Term Memories is their debut album, featuring four-part harmonies, clean-cut instrumentation, and a wealth of catchy pop songs. Described as "pure pop thrills amounting to a massive sugar rush, with handclaps, chirping backing vocals and cascading organ runs," the Salteens live show is not to be missed, unless, of course, you don't like an outpouring of energy, laughter and plenty of rock kicks. The Salteens are currently recording and mixing their sophomore release with Kevin Kane (of the Grapes of Wrath).
