For those of you not yet in the know, Vanessa is a gifted songwriter with a sweet, yet powerful, singing voice. I guarantee that you will be blown away by the intensity and emotion of her performance, and then there will be a rollicking ho-down. 10 MP3 Songs FOLK: Modern Folk, FOLK: like Joni Show all album songs: Peony Songs Details: "Vanessa brings a fresh new voice to the burgeoning Manitoba Music Scene, and the sweetness of that voice makes her a stand out. Vanessa draws you into her lyrical web and delights you". Heather Bishop, Order of Canada recipient, multi Juno award winner "Vanessas voice is like the wind through the poplars on a hot summer day. Cool, ethereal and always welcome. I think she is definitely a singer songwriter to watch for". James Keelaghan, singer songwriter, Juno award winner "I fell for Vanessas music from the get go. Imaginative, soulful and eloquent, this is one young songwriter who has worked hard to get it right". Dan Donahue, Juno award winning producer "Vanessa Kuzinas heart and soul shine through her when she sings and performs". Dan Frechette, acclaimed songwriter and performer " (Peony) is blossoming with uplifting tracks about the seasons, family, friendship and love". -Whitney Light, Stylus Magazine
