

## Mp3 Vee-no - Scorpion King

[DOWNLOAD HERE](#)

grown folk SING ALONG GHETTO LOVEMAKING music, for people that club, date, drink, do one night stands, and enjoy being socialable 12 MP3 Songs URBAN/R&B: R&B Rap mix, URBAN/R&B: Rhythm Blues Details: vee-no is a professional entertainer from the south side of chicago. he has performed everywhere from family picnics to arenas opening for many major recording artists. vee-no took the time to influence this album with the sound and characteristics of music today. thoe more of a club base sound, surley scorpion king will be a classic, radio or otherwise. music has come a long way, but the entertaining aspect has been lost. artists no longer put heart into thier projects. it's all about the marketing and networking. the project itself loses quality due to corporate influences. hopefully vee-no has captured some of that essence. scorpio is vee-nos zodiac sign. so he felt the need to share his experiences from a sensual, sexual nature. which comes natural for him. this album has been musically composed, written word for word verse by verse and every idea arranged by vee-no. thoe multi-talented he still had room to colaboration. all chicago based talent, vee-no cameod a few equally talented professionals: od; a young gifted black word smith from the suburbs of chicago. thoe new to the business od has obviously been here before. theres is no doubt he was once a celebrity in his former life. chas' ; this young talent song bird is no doubt r&b's next at royalty. destined for greatness she is impressive with the god givin gifts she offers a song. chips; is hip hops next. with the ability to freestyle chip is the top of his hardcore class. zeek on the other hand is also multi talanted and can flow hard core or popular songs. vee-no is a young aspiring singer, songwriter and producer with the abitivity to capture a youthful and a mature sound to give people everday tools they can use to make it through life. i hope this album inspires more if not all that purchases it.
