If You Aren't Taking Advantage of Parasite Hosting, You are Missing Out on a HUGE Opportunity

Parasite Hosting, when used correctly, will propel your website to the top of the search engines And Yet Only A Very Small Percentage of Internet Marketers Are Taking Advantage Of This... Taking Advantage of Parasite Hosting will take you by the hand and show you step-by-step how to easily setup and create your own pages on multiple "parasite hosts" and start dominating the search engines today. It's really that simple. Monday, September 1, 2008 From: Matthew J. Bush Dear Friend, By now you've probably heard that "parasite hosts" are a big deal. (for those of you that don't know, a "parasite host" is any site that allows you to freely create your own page right on the site. Popular examples of this include Squidoo, Hubpages, etc.) But did you know that setting up pages across multiple parasites, to create an incredible push that will rise your site tremendously in the search engines really isn't that difficult? It is not something that is only available to people with tons of money and resources It is within your reach Let me show you just how easy it is. Introducing Taking Advantage of Parasite Hosting: The Video Series Don't be intimidated by the word "parasite". This is all a lot easier than it sounds. In this video series, you will get to watch me over my shoulder as I take you through the entire process, from start to finish, of setting up your very own parasite hosting network, that you can then use to dominate the search engines. There is a right way and a wrong way to work with parasite hosts (the wrong way would be spending dozens of hours to create just one site. Let me show you how to do it in the fastest manner possible). I don't want to see you wasting your time doing things the wrong way, that is why I created this video training series. This Video Series Features: A Collection of 13 Professionally Recorded Videos-This complete video series will teach you everything you need to know about creating, optimizing, publishing, and promoting pages on parasite hosts. The Importance of Parasite Hosting- Before you actually start taking advantage

of parasites, you need to understand why it is so important and how this all works. The Power of Keyword Research- If you aren't creating pages that are focused on specific keywords, you are literally taking a stab in the dark at achieving natural search engine rankings. Let me show you how to perform effective keyword research. The Best "Parasites" to Work With- There are literally hundreds of parasite websites out there. Let me show you how to maximize your time by only working with the cream of the crop. How to Signup with a Parasite Host, and Personalize Your Account- You will get to watch me, over the shoulder in my video series as I sign up for and personalize my very own account on a very popular parasite host. How to Create and Optimize Your Content- Creating your very own pages will be a breeze with my content suggestions. I will also show you how to tweak your content to optimize it for the search engines. How to Submit and Post Your Pages- Watch as I create an actual page online, and give you advice on how to duplicate my results in the easiest way possible. How to Promote Your Pages- After your pages are live, let me show you how to promote them to achieve high traffic and rankings. I will supply you with specific recommendations on how to promote your parasite pages. How to Dominate the Search Engines with Parasite Hosting- I will show you how to combine effective keyword research with parasite hosting to capture multiple listings on the search engines. Just imagine being able to literally dominate the search engines for your targeted keyword phrase!
