(chances are you're already committing this mistake right now and losing out big time) Understanding this one key concept will help you lay the foundations of a highly successful online business because done right - Affiliate Marketing can deliver consistent, monthly income... How Much? Well that still depends on you... but put these principals to work and it could be enough to pay for the big holiday you always dreamed of - To walk into your local car dealership and pay cash for your next car purchase - You could use the money to cover your kids education - Build a nest egg for a comfortable retirement - Supplement your current income... Or even earn enough from an online business to ditch your day job and live debt free for the rest of your life.... (FACT: The wealthy 5 who know how to work the system are doing right now as you read this letter) Here's just a little of the advice Willie shares in this call: Arrow A crucial, crucial, crucial first step most people completely miss when trying to succeed as affiliate marketer (ultimately this mistake will kill any chance of success you may have.) Arrow A proven strategy for earning regular, long-term income (you'll also discover how to recruit big name JV Partners...Willie is also a highly respected, behind the scenes, JV Broker so you must listen to this) Arrow Willie's favourite and easy to

use software tool he uses to to promote products with (this increases conversion massively and sends customers directly to the 'buy it now button') Arrow Why F _ _ _ _ is essential in all aspects of online marketing (fact: most affiliates don't have it and it's why they miss out on many sales) Arrow The secret strategy Willie is using to overcome the increasing problems of email deliverability (and another related game-plan that'll bring in even more traffic to your sites) Arrow How to promote products and claim affiliate sales in an fiercely competitive market place - (just follow this strategy and you'll make your voice heard above the constant 'me too' chatter.) Arrow The alternate channels you should be using right now to ensure your messages get the maximum response (important for both now and in the future - Willie discusses the 4 methods he's already using to keep orders coming in.) Arrow What you must do to successfully capture the hearts and minds of your subscribers - (Willie is expert at building solid bonds with his lists... so much so that he regularly gets emails from subscribers asking him for his affiliate links to new products.) Arrow The constant message you should be sending in all your communications to site visitors, subscribers and contacts (recognizing this is one point is incredibly powerful - it's application will set you apart from 99.9 of other marketers online) Arrow How to never pick a 'bad product' again... Hear first hand about the warning signs to look for when picking products to promote - (sadly, some vendors are deliberately trying to rip affiliates off... stick to Willie's rules and you'll avoid be scammed and ripped off by the bad guys) In a nutshell you'll discover how to transform yourself into a highly sought after 'super-affiliate' - It's the ultimate goal and it sure does come with some added benefits: Arrow You'll have other marketers and online merchants queuing round the block to work with you (and promote your own products when you release them). Arrow You'll be offered higher levels of commissions and more valuable incentives than your competitors. (merchants already offer of thousands of dollars in prizes to their top performers - learn how to get on the leader boards and win these competitions) Arrow You'll soon have a mailbox full of complimentary products week after week. Arrow And you get to decide what you want to promote and when you want to promote it giving you the freedom to run your business to your timetable
