Alternative rock fuses with acoustical and metallic roots to form the completely unparalleled yet fully gratifying wakeless of "absence." 6 MP3 Songs ROCK: Modern Rock, METAL: Alternative Metal absence Songs Details: @ All At Once had its beginnings at New Life Evangelical Free Church in Aurora, Colorado, where various members of the band first started playing together while leading worship for the church's middle and high school youth groups in the late '90s. The band formally organized in the spring of 2002 and operates out of Centennial, Colorado, a Denver-area suburb where the band members live...

@ All At Once is a fresh wakeless with a high energy live performance that is targeted towards high school and college age audiences. The variety in the band's music is a direct result of the differing styles of the band's three songwriters-Josef Hertzog, Tom Noble and Phil Owen-and the hours spent by the band to create interesting arrangements of instruments, wakeless and dynamics on their songs. The band's live performances reflect both who they are and what they like to see when they go to concerts and this approach seems to work as new audiences become fans by the end of their shows...
