Extreme grinding atmospheric black metal from Kansas City. 9 MP3 Songs METAL: Black Metal, METAL: Death Metal Details: Extreme, yet melodic, angst ridden black metal from Kansas City. Grinding guitars, atmospheric keyboards, barbaric drums, and guttural growls round out this trio's sound, based on hate filled philosophies and beliefs. Dark and imaginative Angel Dissection is sure to give you new reason to view the world for the decrepid cesspool that it is. For more information, visit our website:
