This Singer/Songwriter takes Country from a uptempo humorous songs to heart felt Ballads. 9 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Modern Country Details: I had always thought of doing my own CD Project but just never found the time. On December 6th 2005 my mother passed away suddenly. One thing she always wanted me to do was complete my own CD with me singing all my own songs. So thats exactly what Im doing. I did this project as a tribute to my Mom. Hopefully my music will touch someone else and let them relate to my songs.
