Contemporary gospel. A FRESH voice with a FRESH anointing. 10 MP3 Songs GOSPEL:

Contemporary Gospel, GOSPEL: Traditional Gospel Details: Singer/Songwriter Carla Tedford has a fresh sound for this generation. Known for her unique voice, Carla has mesmerized audiences throughout the United States. Born and raised in Flint, Michigan, Carla grew up in a strict Holiness household where music became her favorite pastime. "As for me and my house, we WILL serve the LORD" was her parents' biblically adopted model. Carla began singing and directing the church choir at an early age. Those foundational experiences, along with formal vocal training and mentoring, helped shape her vocal ability. Carla learned early on that in order to execute the Gospel effectively you must have a relationship with God. It is this understanding that allows her to humbly and skillfully offer worship to God while blessing the Body of Christ. Carla has had the opportunity to open for several Gospel legends including Kirk Franklin, John P. Kee, James Moore, The Winans, Yolanda Adams, Timothy Wright and Ben Tankard. Featured in the 2007 Stellar Awards Nominees Reception Showcase and the New Artist Showcase of the Heritage Music Foundation founded by Dr. Margaret Pleasant Doureaux, Carla has also collaborated with several Gospel groups including Steve Middleton and Unity and Praise, Minnesota Mass Choir, The Voices of Heaven 600 Radio Choir and the Baltimore Chapter of the Gospel Music Workshop of America (GMWA) Choir.
