Society today is looking for something real and catching and that is what Chosen has to offer, but with a Christian twist. In Galatians 2:20, it states, "I am crucified with Christ, nevertheless, I live yet not I but Christ lives in me....." Chosen has stood by that scripture stating that Christ is everything in their life and it is all about him. Also in Matt. 6:33 it states "Seek first the Kingdom of God and everything else will be added unto you....." When you seek the Kingdom first, everything else will fall into place according to what God wants. "It's all about the Kingdom"
