If a fall 2010 Valentino dress could have a conversation with the disco ball from the ceiling of Studio 54 (circa 1979), it would sound like this... The music of DJ Fatha Julz is a fusion of House/Disco/Techno/Baltimore Club. 12 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: House

Details: Glamrock, Inc. presents its debut album DREAMBEATS, written, produced, and recorded by DJ Fatha Julz. DREAMBEATS features 12 tracks, over 2 acts, with a little something for whatever your musical heart desires. Inspired by the Tony Award winning Broadway play and Hollywood blockbuster film Dreamgirls, DREAMBEATS is the first release from DJ Fatha Julz available for worldwide distribution.

Serving thumping house beats, clever samples, and catchy melodies, the high energy of DREAMBEATS far exceeds your daily musical intake, based on a 10 tracks-a-day diet. Soon after pressing play you may find yourself walking like a supermodel around your house or even dancing like a member from the color guard in your college band. Reminiscent of house music from Baltimore and Detroit's club scene, the tracks featured on DREAMBEATS are extremely versatile. They are motivation for a high-energy workout at the gym, jam-session inspiration in the car while riding down I-95, and what you need to get your party juices flowing in virtually any atmosphere. Inspired by numerous musicals, celebrities, and high fashion, this brilliant producer breathes hits and sweats innovation. This album is far from a debut release for DJ Fatha Julz, as he has been producing music that his underground fan base has enjoyed for years. Since 2001, DJ Fatha Julz has created devastating dance beats, supplying musical ecstasy of entertainment. He is the glamour and lives the lifestyle that is associated with the music, and it translates 100 into this awe-inspiring album. His style is so unique, it is hard to compare to other artists. This album can take you to the runway, to the club to a place of no return oh yes, you will lose yourself in the music! "A WCNT Radio Production.... Your Spot for the best in Ball Beats, House, Techno, and Cuntly Classics!"
