

# Mp3 Himalayan Voices - Echo Of The Big Bang

[DOWNLOAD HERE](#)

Gong Bronze Troupe's classic Multi-Gong based CD. Their live events vibrate Yoga Centers, Deaf schools, pools and Alex Grey's home. A multi-gong trance of ambient metals, bells, bowls, shangs, sound sculptures, soundscapes with flutes and more. 10 MP3 Songs WORLD: World Fusion, NEW AGE: Ambient Details: Gong and Bronze Troupe Embark with Himalayan Voices on a quest of alchemy through the Mystery of Metal spirits and sounds, where the questions are more important than the answers! Echo of the Big Bang is a gong based adventure in vibrations, with everything from the deep pulsations of large multi-gong sub-sonic rumbles to ancient "plate gong" bonging! Can't make it to the magic of a Himalayan Voices live show, well this CD can deliver some of that gong magic to speakers near you! No band on the planet is laying down boundary breaking good vibrations like the Himalayan Voices. Himalayan Voices play unique ambient metals Trance-Formational shows, which provide easy access to alpha state trance and balancing deep body sonic massage. While their our Bong-A-Gong Theater is a "Bronze Man Group" that offers flying gongs meeting water canons and an assortment of other fun-sonic entertainment. Himalayan Voices also serve by donating their deep sonic feel in shows for the deaf, in-water performances, and by resonating every full moon at the home of Allyson Alex Grey to raise funds for The Chapel of Sacred Mirrors.
