Horse Crazy is a kickin' Cowgirl band with 3 part harmonies that make you smile all the way through the Western trail of traditional and modern music. 13 MP3 Songs COUNTRY: Western, COUNTRY: Western Swing Details: "Horse Crazy is a breath of fresh air from the "open-range"! These three talented Cowgirls are wonderful entertainers. Their voices and their choice of music takes you to a place wherer you're high in the saddle without a care in the world. Lauralee, Emele and Dee have that "oh-so-hard-to-find" pure Western sound with perfect pitch harmonies and versatility with switching lead vocals and instruments along the trail. Horse Crazy represents the old and the new west as good as any group in the Western music business today." Jim Reader, Canadian Cowboy singer/songwriter/rancher after the Horse Crazy performance at 2004 Kamloops Cowboy Festival March 23, 2004. " Oh Horse Crazy, I enjoyed you three women so much. You three were so different in so many ways and yet when you came together the music just seemed to surround the listener like a warm horse blanket on a cool winters night." John Glawson for OI" Ugly Comedian for sure! "These gals are fun, fun, fun and have great harmonies!" exclaims Wylie, of "Wylie and the Wild West". " You all (Horse Crazy) put a smile on my face and kept my feet tappin' through the whole concert!" says Mike Rothgeb, former R R band manager. Horse Crazy is a kickin' cowgirl band born in the Methow Valley on the North East side of the Cascade Mountains in Washington State.
