

Mp3 Howard Fishman - I Like You A Lot

[DOWNLOAD HERE](#)

An epic journey through the heart of American music filled with dark humor, romance, heartbreak, death and redemption. 13 MP3 Songs BLUES: Acoustic Blues, JAZZ: Jazz Vocals Details: Recorded in the fall of 2000, Howard Fishman's second CD "I LIKE YOU A LOT" has achieved something like cult status among music listeners worldwide. ROLLING STONE writer Andrew Dansby charted I LIKE YOU A LOT as #3 on his TOP 10 ALBUMS OF 2001, and THE NEW YORKER called it "a haunting collection of cunning originals." The ALL MUSIC GUIDE gave "I LIKE YOU A LOT" four stars, dubbing it "alchemy...an important force in creative music." AMAZON.COM says of the CD "a starker predecessor to Dylan's 'Love and Theft.' Blues, Jazz, Country, Tango, Swing, Old-Time, Avante-Garde, Parlor Songs and Waltzes intermingle not from song to song but from moment to moment to create a rich, mysterious tapestry of sound." The CD was subsequently the subject of a feature-length story/interview on NPR's FRESH AIR with Terry Gross.
