It has many different flavas for different types of people. Southern playalistic. 6 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Rap Details: As a native Georgian, INTENSE grew up in the city of Atlanta. Growing up with the hardship of inner city life. INTENSE has gathered those experiences and used them to his advantage. INTENSE is taking his first step to achieving his goal being a recording artist. After years of developing his creative skills and doing shows, he has developed into a strong creative force with something, "REAL" to say. INTENSE'S music is a mixture of different styles of music. The music is as diverse as the rap artist is and songwriter INTENSE is himself. It has many different flavas for different types of people. It has a little hip-hop for the hip-hop enthusiast, a little gangsta for the West Coast riders, and a little bit of the southern swang for the playas, and when it's all said and done INTENSE is just, "THE REALIST".
