Not just stories in the ordinary sense, Judee Regan , Intuitive Life Coach, gives you tools for awareness about our patterns and processes, what drives us and what feeds our spirit. These stories assist you in observing the patterns and processes that got you here, and allows each of us to move forward toward greater wholeness, authenticity and certainty of purpose. BIO Judee Regan is an intuitive Business Consultant, an engaging Speaker, a wise Elder, a gifted Storyteller and Author of the book 'Meaningful Work...the Entrepreneurial Way: Your integrated guide to Career and Personal Life Management' as well as book publications in electronic form and informational CDs. Judee champions taking responsibility for your own life through action, contribution and Work-Life wholeness and well-being through awareness, vision, and choice. Learn more about her philosophy and her services at worldofwork. She has had her own consulting business for over thirty-five years. During that time, she has designed, developed and managed the process of transition in a wide variety of professional applications. These include executive-level mediation; facilitation of labor/management teams in guiding employees through organizational downsizing; and acquisition of over \$3 million in funds in the last fifteen years, which was used in the design, development and

implementation of work-related transition programs. Judee has lived the principles she writes and speaks about and is now focused on communicating these principles to others. Throughout her career, Judee's expertise has been enhanced and enriched by her extensive and varied experience with corporate, public sector and private sector clients. World of Work Inc. is an entrepreneurial outgrowth of her expertise and is dedicated to facilitating the individual's capacity to find meaning and balance in their Work-Life. A mother of three and grandmother of four, Judee, for many years, has been committed to building a Highway of Hope. She has a special ability to shed light with her creative spark, and to ignite initiative with her strength of will and her purposeful understanding of process. From the outset you know she is enthusiastic and alive.
