Whimsical, solemn, gritty, sweet - a playful collection of love songs from every side of the arrow. 15 MP3 Songs FOLK: Folk-Rock, ROCK: Folk Rock Show all album songs: Boys Eros Songs Details: With perspective that is both childlike and timeless these songs tiptoe over many tightropes, and above all that which stretches between love and ex-love. Composed by Laura Meyer, whose songwriting has been recognized by numerous competitions (Telluride Bluegrass Troubadour Competition, Starbucks Music Makers Competition, Mountain Stage NewSong) as well as both ASCAP and BMI, "Boys Eros" was recorded with Eric Lichter at Dirt Floor Studios in a few days on either side of New Years 2008. Inspired by all sides of love, these songs teach that just as one cannot predict the weather, one also cannot avoid participating. Whether ducking for cover or splashing through puddles, here is an album for all lovers - regardless of which side of the poisoned arrow you stand on. Laura is currently touring the US.
