Contemporary acoustic Australian songwriter with unique vocal phrasing,clever, subtly humourous lyrics backed with drums,bass,keys,woodwinds,strings and his own money.. 12 MP3 Songs FOLK: Modern Folk, POP: Folky Pop Details: Born in Adelaide,Australia,raised in Melbourne,moved with family to Sydney,moved back to Melbourne. Began music career as a drummer in Jazz/Rock bands but a publishing offer led to a trip to London and a switch to acoustic guitar.Spent 3 years busking and performing on the acoustic circuits in U.K., Europe and U.S.A. Continued this life in Australia and released first album "A Strayer from Australia" about that first trip O/S. Since 1982 has had dual careers as a muso and Stand up Comedian and has worked in Australia and Internationally in both guises. New C.D. "Nothing Borrowed" is the long awaited musical comeback and Bank Balance drainer!!(mine...hopefully not yours!) The people at CDBABY advise artists to provide a long biography because:"the more time people spend on your page reading about you, the more likely they are to want to buy your CD". I hope the previous paragraph and,in fact,this current one encourage you to do just that...come on....I dare you!...I'm willing to beg!
