The album features six extended tracks that will lock you and your partner in a sensuous groove. Album Tracks: Caress, Flow, -interlude- Play, Warm Sand -interlude -Valley of Joy, Release "There is a secret door leading to the Valley of Joy, a mythic place of extraordinary sensuality. Three keys will open this door. Their names are Caress, Flow, and Play. The bearer of these keys will pass through the door: gently slipping into the valley to luxuriate in Warm Sand until reaching an exquisite, orgasmic Release. These Six Erotic Journeys will prepare and assist you in opening that door of passion. They are indispensable elements in bringing the sensual quest to fulfillment and are extended for your pleasure, totaling almost seventy-two minutes of music." This album features the intimate vocal sound of Valohna Wynn. She spins pure melodic lines that will touch your sensual core. No words, just feeling. Supported by warm Spanish guitar and enticing percussion, the lady will be your personal guide to the Valley Of Joy. Let this new milestone in sexy bedroom music flood your boudoir with smouldering erotic energy.
