Classic Rock brought bang up to date. No Connection know how to mix it up whilst remaining true to their roots and influences. This is rock as it's meant to be. 11 MP3 Songs ROCK: Classic Rock, POP: Power Pop Details: NO CONNECTION, formed in September 1996 as a release by former band members Graham Young (vocals, guitar) and Jon Hill (Drums). These two experienced twenty-somethings had the idea of creating a cover-free pop rock power trio to combine their wide range of influences e.g. Van Halen, Public Enemy, Aerosmith, George Michael to write strong hooky 3-4 minute songs with a social conscience. The final third of the trio was added in May 1997 when bassist Steele joined the group. Soon they had written two albums of quality material and were gigging all over the Thames Valley area. (UK) Now with their second studio release the band are now getting ready for a tour of the USA starting this autumn.
