

# Mp3 Phil Hammon - The Librarian's Nightmare

[DOWNLOAD HERE](#)

Phil Hammon has created his own inimitable style by blending unique songwriting and an edgy sound that screams progress in a classic voice. This sleeper has all the 80's sound without all the 80's hype. 5 MP3 Songs ROCK: 80's Rock, POP: 80's Pop Details: Phil Hammon is a singer/songwriter exploring everyday life with a musical and humorous twist. With two CD's entitled "The Librarian's Nightmare" and "Frankenstein Baby" it is apparent that Phil likes to joke around. Whether dealing with issues of national concern or personal flaws, Phil always maintains a sense of humor. Whether laughing directly at himself or helping others learn to laugh at themselves, Phil is trying to lighten the load we all bear, emotionally and physically, through stress. Life is too short to be wound up like a spring and if one person finds a release in Phil's music than the artist feels he has done his job. However, don't be surprised if Weird Al is not what you get with Phil Hammon music. For more information on Phil please visit his website at philhammonor email him at phammon@philhammon.com
