SPOKEN WORD [DUB POETRY] with REGGAE [ROOTS, ROCK] Inspirational, Educational, Soul, YOU WILL DANCE IF YOU ARE ALIVE or This Will RESURRECT YOU to the life within; something you can not live without. 5 MP3 Songs SPOKEN WORD: Poetry, WORLD: Reggae Details: Greetings from Ras Sabur Tafari "I Am Here." I was born in Kingston, Jamaica. I was imported to the United States when I was three. My tour of duty started. I have battled to find answers to "Life" in those "Echoing Moments," on this "Ball of Confusion" where I found I self distant and lonely from I warm birth land in the West Indies and even further from my souls birth place "Ethiopia." This "Soul Searching" put I on a "Collision Course With Destiny!" The only hope of surviving the solitude was MUSIC!!! And it is Through Music I learn how to keep my "HEAD UP" as a CONQUERING LION! "...so toil and know not rest until every soul that desires their soles to touch the soil of their true heritage, CRY OUT WITH SINCERITY, after crying tears that flow down the mountainside of emotions epitome like a "ROARING SPRINGS" I See Me! "See you at the top of the Mountains of Zion!" One Love, Ras Sabur Tafari (P.S. I Give Thanks to Bryan Beadle. Creator of "Taming of Creation" a powerful album available HERE on CD Baby. Thanks for EXISTING! .HEIGHTS. THAT GREAT MEN REACHED AND KEPT!)-SELAH
