Not world beat, WORLD FLOW: gentle, nurturing, feminine, healing silver flute and harp imrovizations to soothe the soul. 6 MP3 Songs NEW AGE: Healing, EASY LISTENING: Background Music Details: These flute and harp arrangements were performed and created by Shawndeya, as healing meditations on creativity, harmony, joy, peace, unity and love for a series of Mandala musical greeting cards with enclosed CD's. The original pieces are 30 minutes each. Mandala Volume 4 uses approximately 10 minutes of the first portion of each piece providing over an hour of lovely music to create a refined and nurturing atmosphere. Listeners with chronic stress or anxiety benefit greatly from this soothing CD which can be used as background music for any activity. Shawndeya has devoted many years to fulfill her aspiration to be a healing musician. Besides recording and performing soothing music, she has applied principles of creativity to create self help CD's for pregnant women, new mothers, and others to provide holistic healing tools to serve beyond the music alone. She is now spending time developing landscape paintings for gallery shows to include her music, nature sounds and nature video footage to honor the beauty of mother earth.
