

Mp3 Sirpaul - "do U" Remix Ep

[DOWNLOAD HERE](#)

Hot sexed-up electro house 5 MP3 Songs ELECTRONIC: Electro House, ELECTRONIC: Electro Show all album songs: "Do U" Remix Ep Songs Details: New York , NY- August 14th, 2007- Indie recording artist SIRPAUL releases his new dance single Do U Featuring remixes by French uber-producers Human Body (Notorious Electro) and New Yorks own Keven Maroda (Controversial/Tweekd). Do U is essentially an electro-house track with a relentless hook and an infectious beat. The song has been creating a buzz on DJ play lists since its premiere spin by DJ Alex Lauterstein at NYCs Pride 2007. "Do U" is available on Controversial Records at sirpaul.com. SIRPAULs signature sound is well-known in the International Dance Music scene for his cross-genre remixes which have created a loyal following with some of the hottest DJs. Recently, SIRPAULs music was featured in L'Oreals VivePro Ad campaign and on the runway for Dolce Gabanna's fashion show in Milan. With over 53,000 hits on sirpaul.com, this Indie recording artist has sold thousands of CDs without any availability in the record stores. Through his loyal internet fan base, SIRPAUL has sold over 10,000 LEGAL downloads on top sites including iTunes, Rhapsody, Sony Connect, MusicNow , GreatIndieMusic DigStation. SIRPAUL is also President/CEO and Co-founder of Controversial Records and has written, recorded, produced, engineered, edited, remixed and performed all of his music. A prolific songwriter, SIRPAUL has written over 350 songs and has re-mixed countless others. Today, the enormously talented Indie artist is one of the only independent artists to have his own page on AOL Music Yahoo! Music. For more info go to sirpaul.com
