Clever lyrics and exciting melodies. Music that both kids and adults will love. 15 MP3 Songs

KIDS/FAMILY: General Children's Music, FOLK: Children's Folk Details: This album has a bunch of fun songs on it that will get your little kid moving. Target audiences range from age 3-99 years of age. "Red Light, Green Light" is a great Freeze Dance song to practice Stop and Go. "Jelly Beans" is an energetic song that has two speeds- fast and slow. "Five Little Ducks" is a classic counting song. "Barry the Bumblebee" is almost more enjoyable for the adults than the kids with the beautiful guitar part, harmonies, and story. "Peanut Butter and Jelly" is from my first album but I brought it back simplified and with less instrumentation. This version really brings out the humor in the lyrics. I think you'll also appreciate my new version of "Old MacDonald"...very interesting. Also, just know that "Lullakazoo" is not your typical lullaby! Enjoy! People who are interested in Jewel Milkshake Laurie Berkner should consider this download.
