Lyrical rock/pop with an edge. 11 MP3 Songs ROCK: Folk Rock, ROCK: Classic Rock Details: The first album from the Los Angeles based band features melodic, and lyrical rock/pop tunes with a bit of an edge. From the back-alley blues of Someone Tell Charles to the etherial I'm Flying, and with subjects ranging from sex to murder to psychology, the band covers a wide range of styles and ideas. Only the open-minded should investigate further. The music is held together by an acoustic-guitar led rhythmic backbone and Tori's full-bodied vocals.
